Re: Waste Collection Services Pricing – The Hills Above Possum Kingdom

Mr. Whitaker:

We understand that The Hills Above Possum Kingdom Association (the “HOA”) does not have the ability to bind its resident with an exclusive service provider for waste collection services within the HOA. However, we would like to continue to maintain a good relationship with you and the HOA and continue to offer our services to your community.

Waste Connections Lone Star, Inc. (“Waste Connections”) would like to offer all residents the following services and rates if they choose to use Waste Connections as their waste collection provider by August 30, 2021:

- One (1) 96 gallon poly cart serviced once per week - \$45.00 per month plus tax
- Any additional poly carts serviced once a week - \$10.00 each per month, plus tax

The above rates will be guaranteed through the first year of service and residents will be required to execute a twelve month contract with Waste Connections’ standard terms and conditions. After the first year, the rates will be adjusted annually, based on the then current CPI.

Any residents who wish to use Waste Connections as their service provider are invited to call our office at (940) 592-5050. Additionally, existing Waste Connections customers may call our office to adjust their current billing in order to match the above rates.

Please feel free to reach out to me if you have any questions.

Sincerely,

Merle Rodgers
